WEDDINGS AT THE BARBICAN

barbican

ONE OF THE
MODERN WONDERS
OF THE WORLD

WHY THE BARBICAN?

The Barbican is rightly considered to be the beating heart of the City; a place of innovation, originality and adventure inspiring all those who visit. Described by the Queen as “one of the modern wonders of the world”, the Barbican is one of London’s most iconic buildings.

The jewel in the Barbican’s crown is undoubtedly the beautiful Conservatory, the second largest in London. This tropical oasis is home to exotic fish, tranquil fish pools, over 2,000 species of plants and trees and provides a unique and stunning backdrop for your wedding day.

By hosting your wedding at the Barbican you will be directly supporting the arts and learning program here.
