

LEYTONSTONE LOVES FILM

VENUE RESOURCE HANDBOOK

We have created this Venue Resource Handbook, along with the [Venue Resource Map](#), to be a helpful guide to all of the amazing local venues and spaces across the local community of Leytonstone that would be happy to be contacted if you have a film screening, workshop, event or exhibition in mind that you need a space for!

Some of the venues and spaces within this handbook have previously been involved in the Leytonstone Loves Film festivals across the years, and some have a passion for all things film and events, and are happy to be contacted with prospective ideas.

Here at Filly Brook we are a predominantly a bar, restaurant and music venue, but in addition to the food and drinks we can offer we also have a private room that could host various types of film screenings.

We have installed a projector, screen and sound system in the room so it's pretty much ready to go on the tech side. We'd be more than happy to discuss any screenings from all corners of our community so feel free to get in touch to discuss your ideas.
