The fun kicks off on Sat 25 Oct with **Hola Frida** (Canada/ France 2025), a beautiful animation about the legendary artist **Frida Kahlo**, and her childhood growing up in Mexico. Having screened at festivals around the world, this delightful film is a joyful introduction to the world of this renowned creative and feminist icon.

The programme continues Mon 28 Oct with the stunning fantasy adventure **The Legend of Ochi** (US 2025), set in an island village in which an isolated young girl named Yuri is raised to fear an elusive animal species known as ochi, but when she discovers a wounded baby ochi has been left abandoned, she escapes on a quest to bring him home.

Tue 28 Oct sees **Tara Franks + Animated Adventures Shorts Programme**, in which parents and toddlers are encouraged to sing and move to the beat with Tara Franks, the creative force behind **Tots Tunes**. She has selected a range of international music guaranteed to get all generations dancing, which will then be followed by a curated programme of toddler friendly short films from all over the world.

The **Secret of Kells** (Ireland/France/Belgium 2010) screens Wed 29 Oct and is **Cartoon Saloon's** first feature from 2010, followed by **Éiru**, their latest short film, an enchanting story exploring the balance and understanding between humans and the natural world.

On Thu 30 Oct, **Family Film Week** heads back to the early 1980s with a special screening of **E.T. The Extra Terrestrial** (US 1982), **Steven Spielberg's** masterpiece has been programmed to complement **The Legend of Ochi** (screening earlier in the week). This is an opportunity for younger audiences to see this Oscar winning classic on the big screen, and enjoy its universal story of growing up, understanding, tolerance, and learning to say goodbye.

Further programme highlights include **The Bad Guys 2** (US 2025) + **on stage Villainous Film Quiz**, a chance to catch up with the latest adventure from the not-so-criminal criminals; **Tales from the Magic Garden** (Czech Republic, Slovakia, Slovenia 2025), a beautiful stop motion animation about family and the healing power of the imagination; and the phenomenally successful **K-pop Demon Hunters** (US 2025), a dynamic, action-fueled animation with the catchiest songs on the planet!

There's also the specially curated **Animal Friends Shorts Programme**, three new animations about animals and their unlikely friendships alongside an activity from Small World Cinema; and **Library Rhyme Time**, a fun session of singing along to story books and the best nursery rhymes, complemented by a screening of the hit animation **Zog** (UK 2018), about a young dragon who is keen to learn how to fly, based on the **Julia Donaldson** classic

**Family Film Week** closes on Sun 2 Nov with a special preview of Netflix's animation **In Your Dreams** (US 2025). Set in a limitless dream world, this follows the adventures of 12-year-old Stevie and her 8-year-old brother Elliot, who discover a magical picture book that says the Sandman can make any dream a reality. This enjoyable comedy drama sensitively navigates family anxieties as well as having the perfect blend of humour, adventure and heart.

**Susie Evans**, the Family Film Week Curator, says:

*"This October half term, we've put together a smorgasbord of films and activities designed to invite little ones to young teens into our cinemas to enjoy the big screen experience. We hope that audiences will enjoy our mix of new releases, international festival hits, classics to revisit and specially curated shorts programmes – alongside books, games and self-led activities in the cinema café all week."*

**Screenings and Events:**

## Sat 25 Oct

### ***Hola Frida*** (U\*)

Canada/ France 2025, Dirs Karine Vézina & André Kadi, 82min

**Sat 25 Oct, 11am**

**Cinema 2**

Our first film in Family Film Week 2025 is a gorgeous new animated story of **Frida Kahlo's** early life in Coyoacan, Mexico.

Based on the book *Frida, c'est moi*, by Sophie Faucher and Cara Carmina, this sparkling tale takes its inspiration from the artist's childhood and how young Frida Kahlo's tenacious resilience and imagination lead her on a powerful creative journey.

### About the Barbican

The Barbican is a catalyst for creativity, sparking possibilities for artists, audiences, and communities. We showcase the most exciting art from around the world, pushing traditional artistic boundaries to entertain and inspire millions of people, create connections, provoke debate, and reflect the world we live in.

We are an international arts and events centre rooted firmly in our own neighbourhood, collaborating with local communities and putting the City of London on the map as a destination for everybody. Central to our purpose is supporting emerging talent and shaping opportunities that will accelerate the next generation of creatives.

As a not-for-profit, we rely on the generosity of individuals and organisations, including our principal funder the City of London Corporation. Every ticket purchased, donation made, and pound earned supports our arts and learning programme and enables the widest possible range of people to experience the joy of the arts.

Opened in 1982, the Barbican is a unique and audacious building, recognised globally as an architectural icon. As well as our theatres, galleries, concert halls and cinemas, we have a large conservatory with over 1,500 species of plants and trees, a library, conference facilities, public and community spaces, restaurants, bars, and a picturesque lakeside oasis.

We're proud to be the home of the [London Symphony Orchestra](#), our Resident Orchestra, and a London base for the [Royal Shakespeare Company](#). We regularly co-commission, produce and showcase the work of our Artistic Associates the [Academy of Ancient Music](#), [BBC Symphony Orchestra](#), [Boy Blue](#), [Darbar Arts](#), [Cultural and Heritage Trust](#), and [Serious](#), who produce the [EFG London Jazz Festival](#), alongside other associates and partners including [Doc'n Roll Film Festival](#), [London Palestine Film Festival](#), and [Trafalgar Theatre Productions](#).

### About Barbican Cinema

We connect audiences with a curated programme of international cinema; from celebrated filmmakers to ground-breaking and under-heard voices from past and present.

Our programmes are presented in Cinemas 1 in the main centre and Cinemas 2&3 on Beech Street.

Our programme ranges from thematic seasons that respond to today's world, to new releases, ScreenTalks, cross-artform collaborations, family events, access screenings and event cinema that presents the performing arts on screen.

We showcase the work of emerging filmmakers, as well as less familiar work of exceptional filmmakers from the UK and around the world. We champion the work of Barbican Young Programmers and give stage to emerging musicians in our ongoing film & live music series which includes our flagship collaboration with the Guildhall School of Music & Drama.

As part of a cross-arts centre, our cinemas are a cultural space for people to share the viewing experience. We strive to be inclusive in everything we do; providing platforms for the widest possible range of filmmakers and ensuring we are an open, welcoming and accessible venue for all our audiences.
